

Culture 2 class summary - Nov 15th

Hello,

We started our class with prayers and covered the story of Vamana Avatar in this class. Since it was "Children's Day" in honor of Nehru, we split the class into 4 teams and played question/answer games. We quizzed them on Gandhi and Nehru, and then we played an Alphabet game. For each letter, the team has to come up with 2 words that relate to the letter (A for avatar, B for burfi, D for diwali, L for Laddos). We got some good answers and the kids were fired up!

Homework:

There is a Word doc attached regarding Vamana Avatar. As a side note, there's no penalty if a homework assignment is turned in late. We encourage kids to bring in homework the following class and they will receive their stickers at that time.

Annual Day:

We have a few parents who have expressed interest in organizing Annual Day for the Culture 2 class. Please let us know if you're interested as well in anything from choreography, music coordination, costume/set design.

Thanks

Komal & Ashini
