

## **Culture 2 :**

# **Instructions for Winter Project: Famous personalities of India**

During the winter break Culture 2 kids will be working on our first project.

Each kid has been assigned a personality. The kids research independently (with parental help) and complete attached one pager. He/she is expected to write 4-5 lines about the person and 2-3 lines about what he/she liked about this person.

At the end we create a book with these research papers. Each kid will get a copy as keepsake.

Things to remember:

1. Report must be completed in given format.
2. Report must be hand written.
3. Report can not exceed the page.
4. Report should be neat & clear. Kids may use pencil/pen/marker but print should be dark (last year we had problems copying faint pencil reports)
5. Also use your imagination to make your report attractive.
6. And don't forget the picture

Have fun and if you have any questions pls. do not hesitate to contact me:
