

C 5 parents:

In December I had done a survey of what the kids wanted to do for AD. Most of them voted for a play and a few wanted a dance in the play. I am working on a play and would like to discuss that with all of you. I would like to request all the parents to come to culture class this Sunday at 4.45pm to go over the AD presentation.

In the last class we completed the freedom struggle leading to India's independence.

For Homework- students are expected to know everything we have covered in the last 2 classes. I am attaching the powerpoint from 1/10/10 so those who missed the class can cover that. All the prior notes are posted under Culture 5 on our website.

For **mid-term** each student is assigned a political leader and a social reformist. They have a choice to present one in the class and one as a written report. Written report can be a poster or typed or neatly handwritten information about the leader's brief life history and contribution to India. Students who missed the last class will pick their political leader this Sunday. **This is due on February 7th.**

Asmita
