Firstly, many thanks to Jaiman's mom for all her help in the class room over the last few classes! It made a BIG difference! Thank you ☺

The kids had come very well prepared with words starting w/ ka and kha. Nicely done!!

We learnt ग and घ today. We also learnt Parts of Our Body in Hindi.

Homework: Complete ग and घ pages in the workbook. Learn 3 words that start with ग and घ. Practice the poem and parts of our body. Practice using them in short sentences (for instance, Yeh naak hai. Mere do kaan hain. Mere baal kale hain.).
