

We continue to learn words and additional matras and the class practiced reading text with "ई" ki matra .

Today a lesson "दीपक" and a poem "बरफीवाला " were taught.

We did an activity by looking at pictures only and making a story out of it.

Kids were helped to label the pictures in Hindi such as " आम , कौवा , पक्षी , घोंसला , गिलहरी, पगडी, गुलेल, मधुमक्खी, etc and then helped to make short sentences about the story "आम की कहानी" .

Homework:

- 2) Complete the written homework from the printout given in the class .
Bonus ~ make 5 sentences from any 5 words in the printout.
