

We started the class with the prayers.

The kids practiced reading text in form of short sentences with no matra. They also participated in stating the meaning of the words and the sentences in the lessons today. Most of the kids are comfortable with this but some need to review the Hindi alphabet.

We practiced conversation about Garba , back to school shopping, daily routines , before and after school activities.

Homework:

Read lessons 1) बस 2) नल and 3)बतख ALOUD.

Write meaningful words from the jumbled letters below:-
