

Today we practiced reading text with “आ” ki matra words and understanding their meaning.

The kids also practiced reading 2 short lessons “आम” and “मामा” and answered questions related to that.

We did an activity in which each student was given a picture of a shop. They were helped individually to make sentences in Hindi. Then each student spoke about 4-5 sentences telling about their visit to this shop, e.g. which shop they went to, how many people were there, what they liked, what they bought and for whom, what was the cost, and how they came back etc. etc.

Homework:

- 1) Read lessons “आम” and “मामा” aloud.
- 2) Read aloud the words given at the end of the lessons.
- 3) Practice saying 3-4 sentences about your trip to any 3 shops with details as practiced in the class.  
( फल की दुकान , मिठाई की दुकान, साडी की दुकान, अनाज / किराने की दुकान,
