

Namaste parents,

I hope the kids enjoyed their first Hindi Fast Track-2 class.

We started the class with the prayer "Hey Bhagwan Kripa Nidaan....."

Please help them memorize this prayer as handouts were provided for the same.

We reviewed the "Barakhadi" and the sounds of each consonant with the vowels added to it .e.g क का कि की कु कू के कै को कौ कं कः

We also practiced greeting (Namaste), self introduction, telling about their likings, dress color etc using full sentences.

Interactive: A visit to a restaurant

The kids took turns responding to questions for ordering their favorite food and drink items, the quantity and understanding the monetary terms like "चिल्लर", "ढाई" "साढे दस" etc. Please practice that with your kids at home and encourage using sentences.

Thanks !
