

# Class of Sunday, Jan 31st

Dear Marathi Advanced class parents,

We learned about simple present tense in Marathi. For Me jevate, me dat ghasate, me dhoodh pite, etc.

We did same sentence for different subjects. For eg:

Fem. Me dat ghasate.

Masculine: Me dat ghasato.

Plural: Aamhi dat ghasato. And so on for tu, tumhi, ti, to, tya muli, ti mule, baba, etc.

We continued our conversation in Marathi. The topic was playdate. Kids enacted going for a playdate and talking in Marathi.

Homework for this week is

1. Write I read newspaper for all the subjects mentioned above in simple present tense.
2. Read the handout given last week, and enact talking to a stranger with a parent at home.
