

Marathi Advanced Class - Nov 22, 2009

Dear MA Parents,

In this class, Anuraag and Rahul talked about 'Today's Weather'.

We then revised the '?' letter sound. I wrote the sentences on the board and kids took turns reading the sentences. They all wrote the sentence in their notebooks.

Then kids enacted as 'Dukandar' or 'Grahak'. They had fun talking and buying stuff. The funny part was all of them wanted to be 'Dukandar'.

Next Class (Dec 6th) - Gayatri and Manasi will talk about the weather.

Please note that there is NO class on Nov 29 due to Thanksgiving Holidays.

Homework -

1st year - 3 words about weather, 2 sentences using the word bank below.

2nd year - 3 sentences about weather, a small story (upto 5 sentence) using the word bank below. Try to use as many words as possible.

word bank - kaularu, daulat, phauj, maujmaja, dauldar, chauvis

Please let me know if you need help with these words.

Any suggestions / comments are always welcome.

Thanks,
Gautami
