

**Marathi Beginner Summary for Nov 8**

Dear Parents,

We introduced two new letters this week: "M" and "Ya" and provided examples of words with the two letters.

We also reviewed Ta, Tha, Da, Dha, Na, Pa, Pha, Ba, Bha and discussed words which begin with these letters. Many of the children could not remember the letters, so please review at home.

Homework: First year students are to write "M" and "Ya" 5 times each. Second year students are to write the barakhadi for each letter. It would be helpful if the second year students also practiced writing some words with the letters as they know enough letters now to write small words.

Thanks,

Swapna and Ani
