

# Marathi Beginner Summary for 11/15

Dear Parents,

On November 8, we did attendance and then I checked homework from November 1st. Most kids had done their homework. We did not learn new letters instead, we reviewed Ta, Tha, Da, Dha, Na, Pa, Pha, Ba, Bha, Ma and Ya.

We had the kids tell us words beginning with those letters and come and write them on the board. They did not do so good. In spite of 3 revisions, they kept forgetting. So please work with your kids to remember the letters. There is no homework for November 22nd.

Regards,  
Ani and Swapna
