

Class summary Oct 25th, 2009.

We had a short class on Oct 25th. We started the class by checking the homework, followed by prayers. We then learnt adjectives (विशेषण). Children translated the examples in marathi –

- 1) red car – लाल गाडी
- 2) blue sky – निळ आकाश
- 3) black hair – कऱळे केस

Homework for Nov 1st :

Children should come up with 5 more examples that have adjectives and translate them in marathi. Please write the marathi version in the notebook.
