

Items reviewed in the class of 11/22/2009: Level 2:

We read pages 13 & 14 from Telugu Bharati book (2). We try to read atleast a page in every class to improve their reading skills.

Kids are trying to improve their reading skills and it would really help if they can practice at home too for 5 to 10 minutes every day.

Homework for the class of 12/7/2009:

- a. Finish page 12 from Telugu Bharati book (2nd grade)
- b. Prepare to converse in Telugu in the class.

Note: There is going to be mid-term on Dec. 20th. Midterm will cover the following topics.

1. Should be able to write any number in Telugu from 1 to 30.
2. Name body parts in Telugu
3. Colors, days of the week, relationships, animals, fruits & simple words we learned so far in class/homework.
4. Reading is going to be big part in the test as we focused a lot in the class on improving our reading skills.

Thanks,

Telugu teachers
